NOTE.

It has been considered desirable (as in 1871, 1881, and 1891) that those of the public who might not require, or be disposed to purchase, the Census Abstracts and Reports in their completeness should have access at a small cost to the statistics of the Territorial Division in which they may have a more immediate interest; and as, in Ireland, the County appears to be the most convenient and familiar area for which the principal particulars should be afforded in abstract, the Census Commissioners, with the approval of His Excellency the Lord Lieutenant, present the following Tables for the County and City of Cork; and purpose giving similar Tables from time to time, for each County in the Province of Munster, at such intervals as the progress of the work will permit, to be followed by those of Ulster and Connaught.

CENSUS OF IRELAND, 1901.

COUNTY AND CITY OF CORK.

In addition to the information contained in the County Tables, it has been deemed advisable to adopt the course pursued in 1881 and 1891, and give the following Summary of the results obtained respecting the County (Administrative) and City of Cork from the Census Returns of 1901.

SUMMARY.

Area.

The County (Administrative) and City of Cork cover an area of 1,849,686 statute acres, or 8·9 per cent. of the total area of the country.

Population. (Table ii.)

The number of persons in the County and City of Cork according to the Census was—in 1881, 495,607; in 1891, 438,432; and according to the recent Census, 404,611 (202,297 Males and 202,314 Females), or 7·7 per cent. less than in 1891.

Families and Houses. (Table viii.)

The number of distinct Families in the County and City at the time of the late enumeration was 76,747, the average number of persons in a family being thus 5·1; and the number of Inhabited Houses was 70,793, showing an average of 5·5 persons to each house. In calculating these averages, the Special Inmates of Public Institutions have been omitted.

Occupiers of less than 5 rooms. (Tables ix. & x.)

The number of Occupiers (or Heads of Families) in occupation of less than five rooms in 1901 was 56,775, or 74·0 per cent. of the total number of families in the County and City, and of these 27 were occupiers of part of a room only; 5,450, or 7·1 per cent. of the total number of families were occupiers of one room; 19,717, or 25·7 per cent., occupiers of two rooms; 17,572, or 22·9 per cent., occupiers of three rooms; and 14,009, or 18·3 per cent., occupiers of four rooms.

The number of Tenements of One Room in the County and City was 5,462, comprising 1,638 cases in which the room had only one occupant; 2,926 where the room had 2, 3, or 4 occupants; 722 cases in which there were 5, 6, or 7 occupants; and 176 cases where the occupants exceeded 7 in number, including 24 cases of 10 persons, 8 cases of 11 persons, and 10 of 12 or more persons in the room.

Co. Districts. (Table vi.)

The following Statement shows, by County Districts (as constituted under the Local Government (Ireland) Act, 1898), the number of persons in 1891 and 1901; and the increase or decrease during the decade:—

* Now Charleville.

From the foregoing Statement it will be observed that there were increases in Cork City, Middleton Urban and Cork Rural, and decreases in all the other County Districts. The highest percentage of decrease took place in Clonakilty Rural and Middleton Rural, viz., 14·3 and 13·8, respectively; and the lowest in Skibbereen Urban and Kilmallock No. 2 Rural, viz., 1·9 and 2·5, respectively.

Birthplaces of the Inhabitants. (Table xxv.)

Of the persons enumerated in the County and City in 1901, 91·2 per cent. were born therein; 3·1 per cent. in other Counties of the Province of Munster; 1·3 per cent. in Leinster; 0·4 per cent. in Ulster; 0·3 per cent. in Connaught; 3·0 per cent. in Great Britain; 0·7 per cent. were born abroad; and 21 persons were born at sea.

Towns having, in 1901, a population of 2,000 and upwards are classified as Civic Areas.

Civic Areas.

The County contains 15 such Areas, viz., Clonakilty, Cork, Fermoy, Kinsale, Middleton, Queenstown, Skibbereen, Youghal, Bandon, Bantry, Charleville, Macroom, Mallow, Mitchelstown, and Passage West. In 1891 the population of these Areas amounted to 131,627; in 1901 it was 129,137, showing a decrease of 2,490 persons, or 1·9 per cent.; in the rural portions of the County the decrease was 10·2 per cent.

The following Statement shows, according to Religious Professions, the Inhabitants of the County and City of Cork in 1901:—

Religious Professions. (Table xxix.)

Religious Professions.	1901.	
	Number of Persons.	Per-centage of Total Population.
Roman Catholics, ...	365,724	90·4
Protestant Episcopalians, ...	32,021	7·9
Presbyterians, ...	1,830	0·4
Methodists, ...	3,062	0·8
All other Denominations (and Religion unascertained), ...	1,942	0·5
Information refused, ...	32	0·0
Total, ...	404,611	100·0

From the above Table it will be seen that of the total population of the County and City in 1901, 90·4 per cent. were Roman Catholics, 7·9 per cent. Protestant Episcopalians, 0·4 per cent. Presbyterians, 0·8 per cent. Methodists, and 0·5 per cent. members of other Religious Denominations. In 1891 Roman Catholics formed 90·4 per cent.; Protestant Episcopalians, 8·1 per cent.; Presbyterians, 0·5 per cent.; Methodists, 0·7 per cent.; and members of all other Denominations, 0·3 per cent. of the population of the County as then constituted.

Education. (Tables xxx. & xxxiii.)

The following Statement shows the Educational status of the Inhabitants of the County and City of Cork in 1891 and 1901, in so far as relates to the degrees of Elementary Education relative to which inquiry was made on the Census Forms:—

Degrees of Elementary Education.	Rate per cent. of Total Population.	
	1891	1901
Read and Write, ...	65·3	73·1
Read only, ...	6·8	4·4
Illiterate, ...	27·9	22·5
Total, ...	100·0	100·0

From the above it will be seen that whereas, according to the Returns of 1891, only 65·3 per cent. of the Inhabitants, at all ages, could "read and write," in 1901, 73·1 per cent. could do so; that the per-centage of the population who could "read only" in 1891 was 6·8, and in 1901, 4·4; and that the per-centage of the "illiterate" fell from 27·9 in 1891 to 22·5 in 1901.

In 1891 20·0 per cent. of the inhabitants aged five years and upwards were illiterate (18·5 per cent. of the males and 21·4 of the females); in 1901 the per-centage was but 14·2 (13·2 of the males, and 15·1 of the females).

Religious Professions and Education. (Table xxxiii.)

Taking Religious Professions and Education in combination, it appears that in 1901, excluding children under five years of age, 15·3 per cent. of Roman Catholics, 3·2 per cent. of Protestant Episcopalians, 2·0 per cent. of Presbyterians, 1·9 per cent. of Methodists, and 8·5 per cent. of "all other Denominations" were Illiterate.

School Attendance. (Table xxxviii.)

The number of children attending school in the County and City of Cork, according to the Census of 1891 (week ending 30th May), was 76,418, or 48·9 per cent. of persons aged 5 years and under 20 in the County as then constituted; in 1901 the number returned (for week ending 11th May), was 68,145, or 52·9 per cent. of the persons aged 5 and under 20.

The Sick.
(Table xii.)

In 1891 the number of persons in the County and City of Cork (as then constituted) returned as Sick on the night of the Census, was 3,900, or one in every 112 of the population; in 1901 the number so returned was 3,910, or one in every 103 of the population; of the latter number 1,423 were at their own homes, and 2,487 were in hospital.

Pauperism.
(Table xii.)

The number of persons returned in 1891 as receiving relief under the Poor Law System was 16,078, or one in every 27 of the population; of this number 5,324 were inmates of Workhouses, and 10,754 were in receipt of outdoor relief; in 1901 the number returned was 13,565, or one in every 30 of the population; 5,408 of these being in the Workhouses, and 8,157 on outdoor relief.

Marriages, Births, and Deaths.
(Table xiv.)

For the purposes of Registration of Births, Deaths, and Marriages, the Poor Law Union forms a "Superintendent Registrar's District." Each Union or Superintendent Registrar's District is divided into Dispensary Districts for the Medical Relief of the Poor under the Medical Charities Act; which Districts, save in a few instances, are identical with the Registrars' Districts. Each Dispensary District is composed of a certain number of District Electoral Divisions.

According to the Returns of the Registrar-General, the number of marriages registered in the County and City of Cork during the ten years ending 31st March, 1901, was 18,525, equal to an average annual rate of 4·4 per 1,000 of the population. The number registered in the whole of Ireland during the same period, affords an average annual rate of 4·8 per 1,000.

The number of Births registered in the County and City during the ten years was 93,926, affording an average annual rate of 22·3 per 1,000 of the population, the average yearly rate for the whole of Ireland during the same period being 23·0 per 1,000.

The Deaths registered during the decennium amounted to 75,054, being equal to an average annual rate of 17·8 per 1,000; the corresponding rate for the whole of Ireland was 18·2 per 1,000.

Emigration.
(Table xli.)

The number of Emigrants during the ten years ending 31st March, 1901, who stated that they were from the County or City of Cork, amounted to 77,072 (36,770 males and 40,302 females); the number for the decade ending 31st March, 1891, was 83,533; for that ending 31st March, 1881, 74,209; for that ending with March, 1871, 118,669; and for that ending with March, 1861, 148,009, making a total of 501,492 for the fifty years.

(d) The town of Castletown Bearhaven stands on the townlands of Cametringane, Derreenataggart, Middle, Drom North, Foildarrig, and Knockaneroe, in which its area and valuation are included; it has an estimated area of 41 acres; some of the houses and population now returned in the town were included in the rural portions of the townlands on which it stood in 1881. The increase in 1891 was principally owing to a large number of persons on board the fishing fleet having been enumerated in the town.

(*a*) The town of Castletown Bearhaven stands on the townlands of Cametringane, Derreenataggart Middle, Drom North, Foildarrig and Knockaneroe; it has an *estimated area of 41 acres. Some of the* houses and population now returned in the town were included in the rural portions of the townlands on which it stood in 1881. The increase in 1891 is principally owing to a large number of persons on board the fishing fleet having been enumerated in the town.

(*b*) Including inmates of Castletown Union Workhouse.

(*c*) The decrease is attributed to emigration (*d*) The increase is attributed to removals into townland. (*e*) Including persons on board shipping.

(*f*) The decrease was attributed to emigration owing to failure of copper mines.

(*g*) Ballydonegan, not now containing 20 inhabited houses, has been included in the townland of the same name on which it stood.

(*h*) The decrease is attributed to emigration and removals.

(*i*) The town of Cloanmines stands on the townland of Cloan, in which its area and valuation are included; *it has an estimated area of 17 acres.* The decrease in 1881 was attributed to a number of miners having left the locality, and to the houses and population of the rural portion of the townland of Cloan having been attributed to the failure of copper mines in the neighbourhood.

(*a*) The town of Skull stands on the townlands of Ardmanagh, Meenvane, and Skull, in which its area and valuation are included; it has an estimated area of 34 acres. The enumerator, in 1891, reported that some houses had been built since 1881, and that some houses returned in the town in 1891 were included in the rural portion of Meenvane townland in 1881.

(*b*) Including 316 males in Skull Harbour on board shipping.

(*c*) The increase is attributed to the including of houses and population in this townland, which were returned as belonging to Skull Town in 1891.

(*d*) The remainder of this Union is in the County of Waterford.

(*e*) The decrease is attributed to emigration and removals.

(*f*) The decrease was attributed to removals to the town of Ballyneague.

(*g*) The enumerator reports that some families have returned to this townland since 1891.

(*h*) The decrease is attributed to removals.

(*i*) The enumerator reports that the families which were residing temporarily in this town in 1891 have since removed to other townlands or left the country.

(*a*) The enumerator reports that the houses in this townland must have been returned as being in Corbally, Parish of Killeagh, in 1891, as there were seven houses returned for it and none for this townland. (*b*) The decrease is attributed to removals.

(*c*) The enumerator reports that some families have returned to this townland since 1891.

(*d*) The decrease is attributed to emigration and removals.

(*f*) The enumerator reports that the decrease is owing to four houses, which are in Corbally, Parish of Dangan Donovan, being returned for this townland in 1891, and the removal of a family.

(*h*) The decrease was attributed to removals.

(*i*) The town of Killeagh stands on the townlands of Aghadoe, Dromdihy, and Killeagh Gardens, in which its area and valuation are included; it has an estimated area of 26 acres. The enumerator, in 1891, reported that some families were then included in the town which were returned in Dromdihy townland in 1881.

(a) The Civic Areas comprise all Municipal Boroughs, Urban Districts, and Towns of 2,000 inhabitants and upwards.

NOTE.—The plan of classification in the foregoing Table is the same as that adopted in former Censuses, and may be thus described:—

The value or condition of a house, as to its quality, may be considered to depend mainly on—

1st, Its extent, as shown by the number of rooms; 2nd, its quality, as shown by the number of its windows, and 3rd, its solidity or durability, as shown by the material of its walls and roof. If numbers be adopted to express the position of every house in a scale of each of these elements, and if the numbers thus obtained for every house be added together, a new series of numbers will be produced, giving the position of each house in a scale compounded of all the elements, *i.e.*, their actual state.

Four classes have been adopted, and the result is, that in the lowest of the four classes are comprised houses principally built of mud or other perishable material, having only one room and window; in the third a better description of house, varying from one to four rooms and windows; in the second what might be considered a good farm house, having from five to nine rooms and windows; and in the first class of all houses of a better description than the preceding.

The accommodation which the houses afford has also been arranged under four classes, viz.:—

First Class accommodation consisting of 1st class houses, occupied by one family.

Second Class accommodation consisting of 2nd class houses, occupied by one family, or of 1st class houses, occupied by two or three families.

Third Class accommodation comprising 3rd class houses, with one family each, or 2nd class houses, with two or three families, or 1st class houses occupied by four or five families.

Fourth Class accommodation includes all 4th class houses, 3rd class houses with more than one family, 2nd class houses with four or more families, and 1st class houses inhabited by six or more families.

* The designation "Primary" has been applied in Irish Census Publications, since 1841, to schools where the instruction is exclusively English; while those schools in which a foreign language is taught have been classed as "Superior," upon the assumed likelihood that the presence of a foreign language in the school course argues a higher standard of general instruction than is to be found where such an element is wanting.
